Memories from this year will always echo from the halls and classrooms of our Alma Mater. The enthusiastic school spirit thrilled us at all athletic and social events. We still found ourselves rushing through crowded halls to get to classes, and to finish meals during the divided lunch periods. Making new friends, and preserving timeworn traditions all helped to unfild these . . .

Moments to Remember Fill

Returning to school always strikes excitement in most Redskins' hearts. We anticipate countless fun-filled moments of study, making friends, and associating with old friends. Studying, the most important aspect, requires most of our time. On the other hand, we will always remember the friendly talks before, between, and after classes; the quiet and restful times spent under the shade of our favorite tree; or the peaceful noon hours spent along the Saint Joseph River. We remember the hours of snowy winter gaiety and the sharp wind frost biting our faces as we rush into our warm class rooms.

All of us have those special moments which we remember. The game we won when all was lost, the whirling dancers at a Christmas formal, or the all night cramming for a quiz; all these make up our moments to remember.

Gaily exercising his privileges as a senior, Bill Cunningham walks through the Senior Door on the first day of school, as several underclassmen bow at his feet.

Confusion prevails as these Redskins, upon returning to school in the fall, try to find their home room numbers.

Even though my grades may not show it, for the major part of the two semesters I've had you I have enjoyed them. My major complaint is that you play favorites, & the second is that you don't speak loud enough. Besides these things I have no other major complaints. I hope you have a good time in Puerto Rico, & good muchacha hunting!

It is typical to see Redskins gathering at the information desk before school to chat about last night's homework.

DONATED BY THE CLASS OF 60

Painting cars to give extra encouragement to the team during sectional time is an old custom at North. These enthusiastic Redskins, Joe Long, Jim Davison, Ron Crick, Vernell Gehron, Bonnie Dolnick, and Gordon Tennel, are donating their talent.

We Maintain Customs and Traditions

Upon leaving by the Senior Door last spring, juniors were initiated into the senior world. The usual "welcoming" of frosh took place as they learned how much time it takes to run around the school or to polish a senior's car to gleaming perfection. "Get Acquainted Day," sponsored by Student Council, provided a chance for the freshmen to meet their new classmates. Perhaps the most coveted tradition at North is that of seniors leaving assemblies and pep sessions first. The usual election slogans and badges bearing such witty sayings as "vote right with Wight" opened the hectic class politicking.

Seniors prepare for themselves a royal entrance into the Dome on the first day of school this fall. They rolled down a red carpet from the traditional Senior Door and had underclassmen bow at their feet as part of their initiation.

Taking time from his busy schedule, Dick Schlatter votes for his favorite class office candidates.

An over abundant amount of snow seems to have this Redskin parked in for the day. Due to the increased number of persons driving, the parking problem has become more acute. The car in the background is evidently hunting for a safer spot.

Crowded Conditions Still Prevail With

Portraying Abraham Lincoln at the Thanksgiving Assembly, Tom Crull reads the blessing. A group of character sketches of Lincoln's life were used. Since 1959 was Lincoln Year, this was very appropriate.

Students wait hungrily in the long cafeteria line before they can be served. To solve this overcrowded problem, identical lines were formed which provided the students with more efficient service. By dividing each separate lunch period into two halves, students can use the free half to study or relax.

Fewer Frosh

Although the new junior high schools relieved North Side of many freshman, crowed conditions still existed this year. The cafeteria remained scheduled upon the divided lunch periods of last year. The double assemblies didn't hinder having good programs. We heard an excellent talk by Mr. Don Lonie; Rubinoff was on hand to play his violin; and students of Mr. Fleck's U. S. history class presented an inspiring Thanksgiving program based upon "Abe" Lincoln's life. Because of good Redskin cooperation and courtesy, the crowded stairways and halls also became no problem. In all everyone accepted the conditions well, and no problems arose.

Amid the crowded halls at North, Stevie Richards and Denny Stewart manage to find a moment of some privacy.

While helping her sister, Judy, study for a French test, Sherry Moore tells her how to conjugate a difficult verb.

While discussing it on the phone, Ellen Schaper and a fellow algebra 3 student find the answer to an assigned problem.

Redskins Have Varied Study Habits

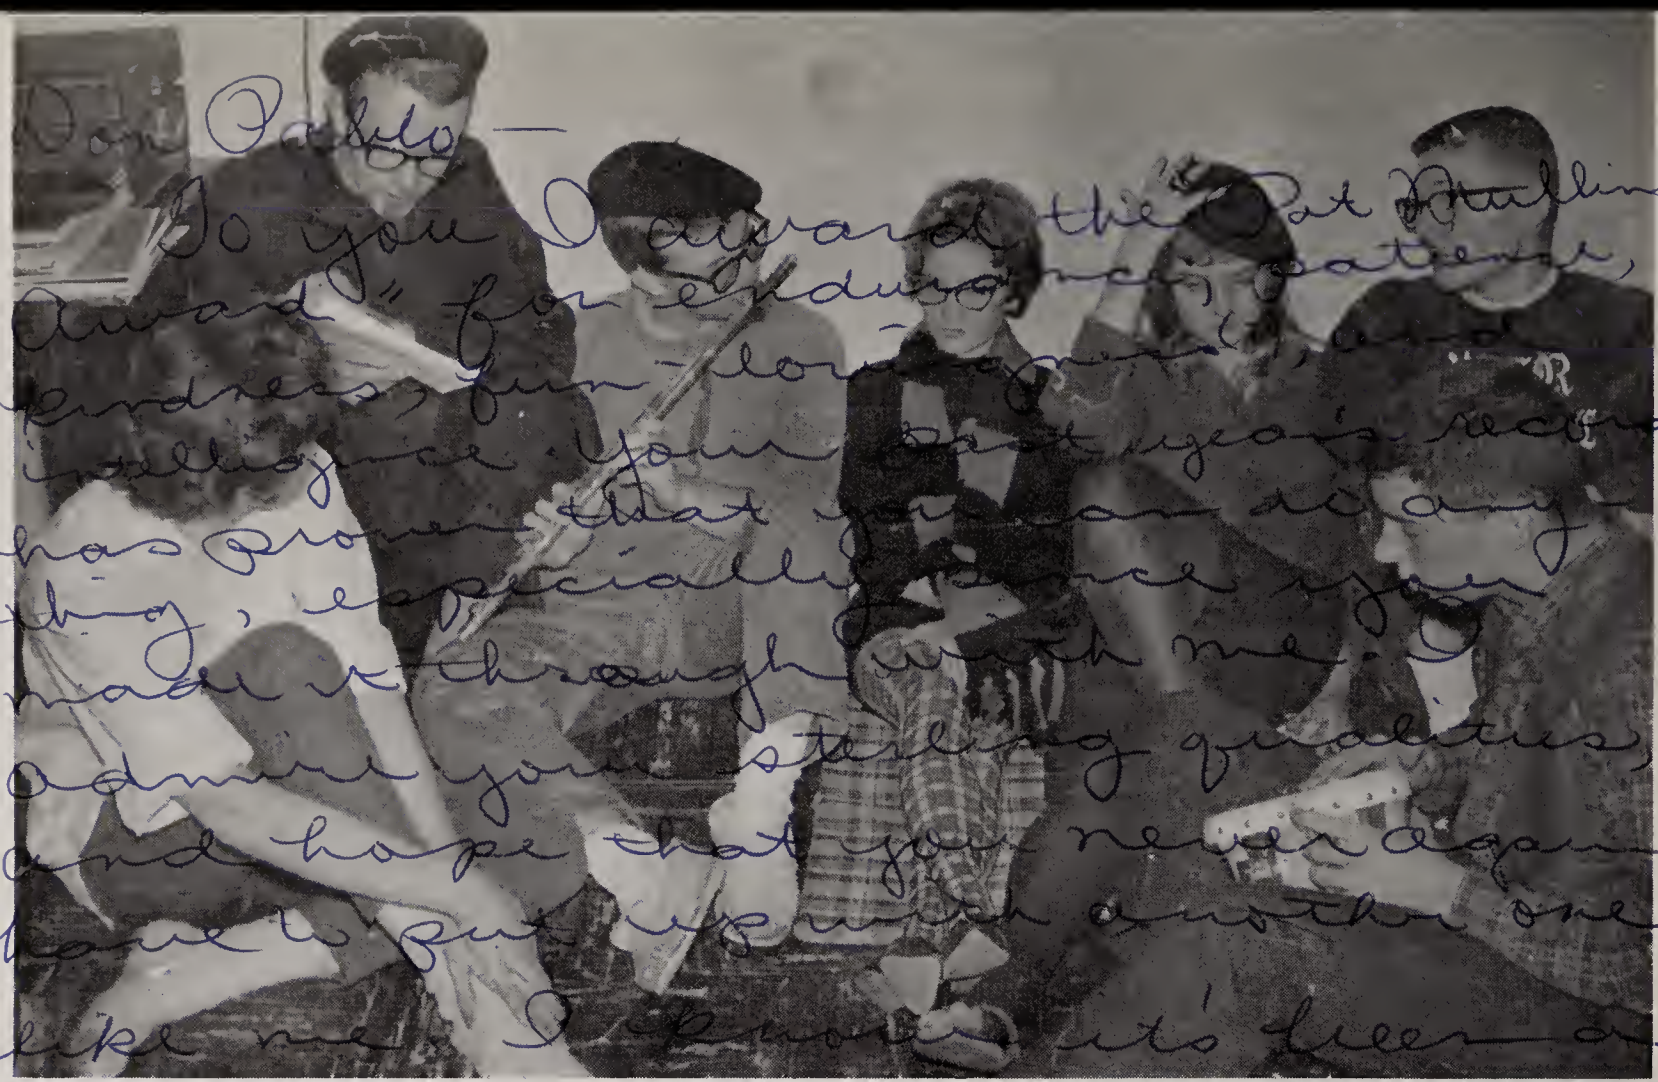
Redskins study earnestly to learn more about the world in which they live. Lamp lights burn late while Domelanders follow Odysseus's travels and cram for final exams. It is not uncommon to see pupils polishing off that last math problem while frantically hurrying to class. Most Redskins are assigned a seat in the study hall or cafeteria where they may study during the school day. North is fortunate in having a library where pupils may go to do research work. During the warmer months, many North Siders finish their homework over a coke at Johnny's or under the shade of a tree along the bank of the St. Joe. This year an honor study hall was initiated in which selected upperclassmen were given the privilege of studying in the cafeteria without faculty supervision.

Instead of going to study hall, many students seek the quiet atmosphere of the library in which to study. Whether leisurely

By testing the hearing of sophomore students, Mr. Buschor detects any auditory problem which the student may have, thus enabling the faculty to know of study and classroom handicaps.

reading a book or doing more serious studying, the library provides an adequate supply of reading material.

While hurrying to civics class, Tom Hawk frantically searches for the answer to the assigned question, "What is the function of the Federal Trade Commission?"



Pictured above is one of the coolest beatnik flings which was held at Pat Mullin's pad. Roy Strohl and Whit Sidener with bongoes and flute add to the atmosphere set by Jerry Warsaw's poetry readings.

Redskins Keep Up To Date On Latest Fads

Boots, loafers, oxfords, and the all favorite tennis shoes, are displayed by these fashionable Redskins. The drawstring type boot and desert boot proved to be the height of fashion.

Throughout the year at "Homeland," new fads were started and old ones preserved. Slumber parties remained popular, and the beatnik parties became the craze. Redskins enjoyed eating pizza and attending open houses.

Pleated skirts and bolero jackets topped the list of fall fashions for the gals, where as slit neck sweaters and continental slacks rated high with the fellas. Gaily colored wool socks and pointed toed desert boots walked alongside the oh so comfortable tennis shoes. With the coming of winter, Redskins buttoned up in trench coats and pulled on danskins to keep warm in the cold weather. As warmer weather arrived, spring fever struck again in Redskin hearts, and couples revived the custom of exchanging rings, signifying going steady.

Displaying their fashionable clothing are, seated: Judy Gordon, Roberta Guingrich, Sarah Dixon and Pam Barnum. Standing: Nancy Gallmeier, Paul Raver, Bob McGregor, Jim O'Brien, and Donna Hagadorn.

"To give is better than to receive" is the motto practiced by Pat Bruck, Barbara Borton, Karen Brabender, Jean Bowman, and Pat Boner, as they wrap Christmas gifts for needy families.

School Spirit

Demonstrating typical Redskin spirit at a home basketball game, these fans cheer a player after making that all important basket.

Contributes Thrilling Moments to Remember

School spirit this year was at an all time peak due mainly to Redskins working and planning together, and using their leisure time well. Class sponsored activities were a big success, and athletic teams received good student support. Redskins sat through rain and freezing weather to cheer the football squad, and hundreds turned out for the successful basketball season. A strong feeling of unity dominated us every time we cheered "We're from North Side and couldn't be prouder."

The project at Christmas of giving to the needy strengthened our ties, and hearts were warmed at this assembly.

Stepping to the beat of a drum at the pre-sectional pep session, Redskin gals shake the pompoms of North's opponents and throw them into the fire, symbolizing North's victory.

Domeland Activities

While spinning the disks at an after-game dance, Larry Schubert satisfies both rock 'n' rollers and slow dancers.

While decorating for Phy-Chem's after game dance, Tom Hayhurst hangs an atom from a crepe paper streamer.

Turkey Trot, the Student Council's after school dance, was typical of the club-sponsored after school and game events.

A special feature at this Thanksgiving record hop included the giving away of two turkeys.

Are Enjoyed By All

At North students are offered a wide variety of activities each week-end. The attendance of many of our friends and fellow Redskins make these school sponsored events exceptionally enjoyable. The most common among these activities are the after game and after school dances.

The music department presents many concerts throughout the year, and the dramatics department gives several plays; this year we viewed the senior play, "The Matchmaker," Varsity Varieties, and the one act plays. The Ripplettes' water show, "The Four Winds" highlighted our spring entertainment.

The attractive ushers make attending plays and concerts more enjoyable. Above one of the pretty misses escorts a couple to good seats and presents them a program.

After games and other activities couples find making pizza very enjoyable. Hungrily awaiting their share are Jill Gerding, Pat Ormiston, Judy Smith, and John Fuller, while Cherry Crandall and Martin Walter do the carving.

Varsity Varieties Reveals Execellent Talent

Beatniks and ghouls along with the Woodland Guild Players highlighted the annual variety show, Varsity Varieties, produced and directed by Mr. James Purkhiser and Mr. C. William Hatt. A Beatnik pad party served as a good background for guitarist, Bill Dau; accordianist, Ken Studebaker; and dancers and singers Karen Bobay, Eve Meyer, Norma Pieper, Linda High, Susan Paulson, Deanna Marquart, Nancy Sargent, Diane Scheele, Marilyn Hicks, Linda Ruch, Lucy Feichter, and Gay Fisher. The Vampire's Birthday Party, featuring Pat Mullins as Vampire, also set the stage for various singers and dancers. Ainsworth Chumberly of Television station WPTA was the guest performer. All in this setting wore ghostly outfits offset by weird lighting. The Woodland Guild Players; Mrs. Wehrenberg, Mr. Fleck, Mr. Anthis, Mr. Lee, Mr. Pugh, Mr. Zimmerman, Mr. McClead, Mr. Franzman, Mrs. Houts, Mrs. Gause, Mrs. Pennington, Mrs. Light, and Miss Fleming performed a hilarious melodrama interrupted continuously by crazy songs, dances, and faculty antics.

Jim Ellenwood served as Master of Ceremonies of the show. His fast jokes, adlibbing, and humorous declamation kept everyone interested. Jim's biggest part was in the finale when he sang "Misty," Johnny Mathis style.

The beatnik atmosphere sets a perfect background for Karen Bobay's fast and shimmering jazz dance spectical.

Vampire, Pat Mullins, looks on while Mr. James Purkhiser, director, helps one of the devil dancers with his routine.

A novelty dance routine to the tune of "Whatcha Gonna Do?" is performed by Norma Pieper, Linda High, and Susan Paulson.

The Jim-Dandy Ballad Singers, Tom Popp and Stanley Rowe, do a record pantomime—impresonation of Homer and Jethroe.

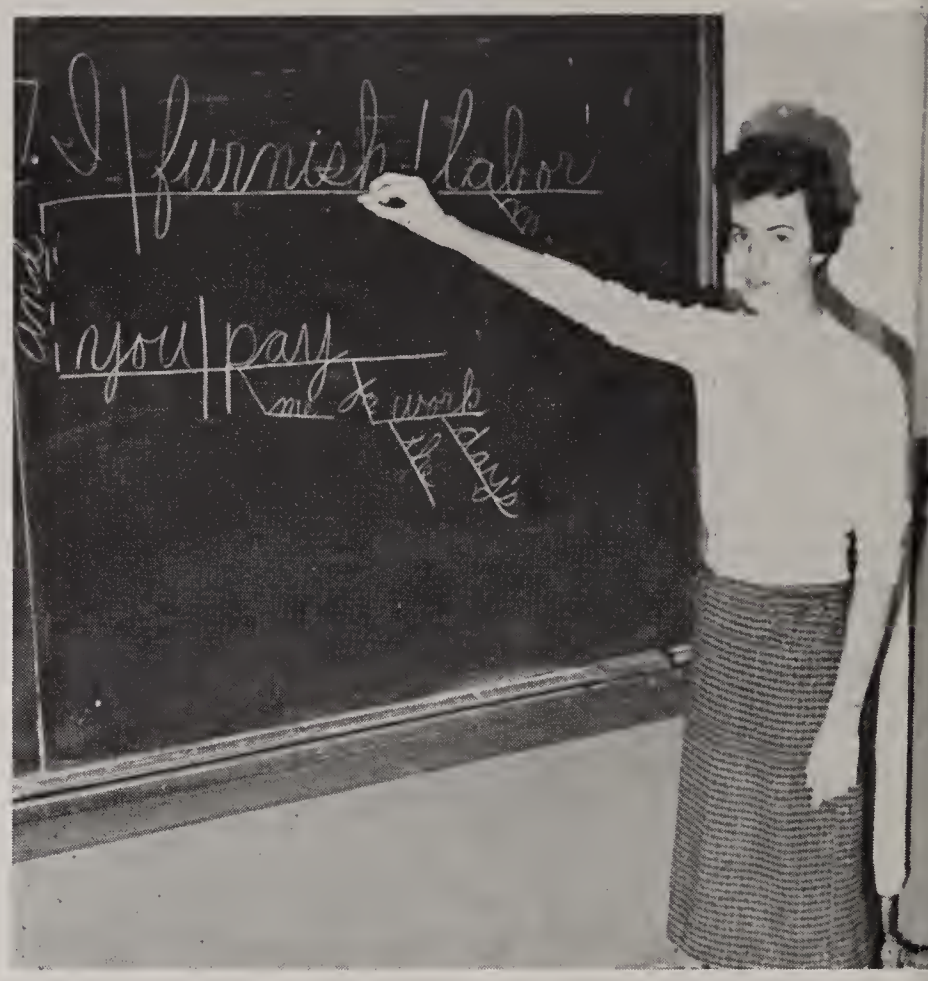
Moments to Remember

YEAR OF EDUCATION
ACADEMIC

Students Strive to Improve Their Language

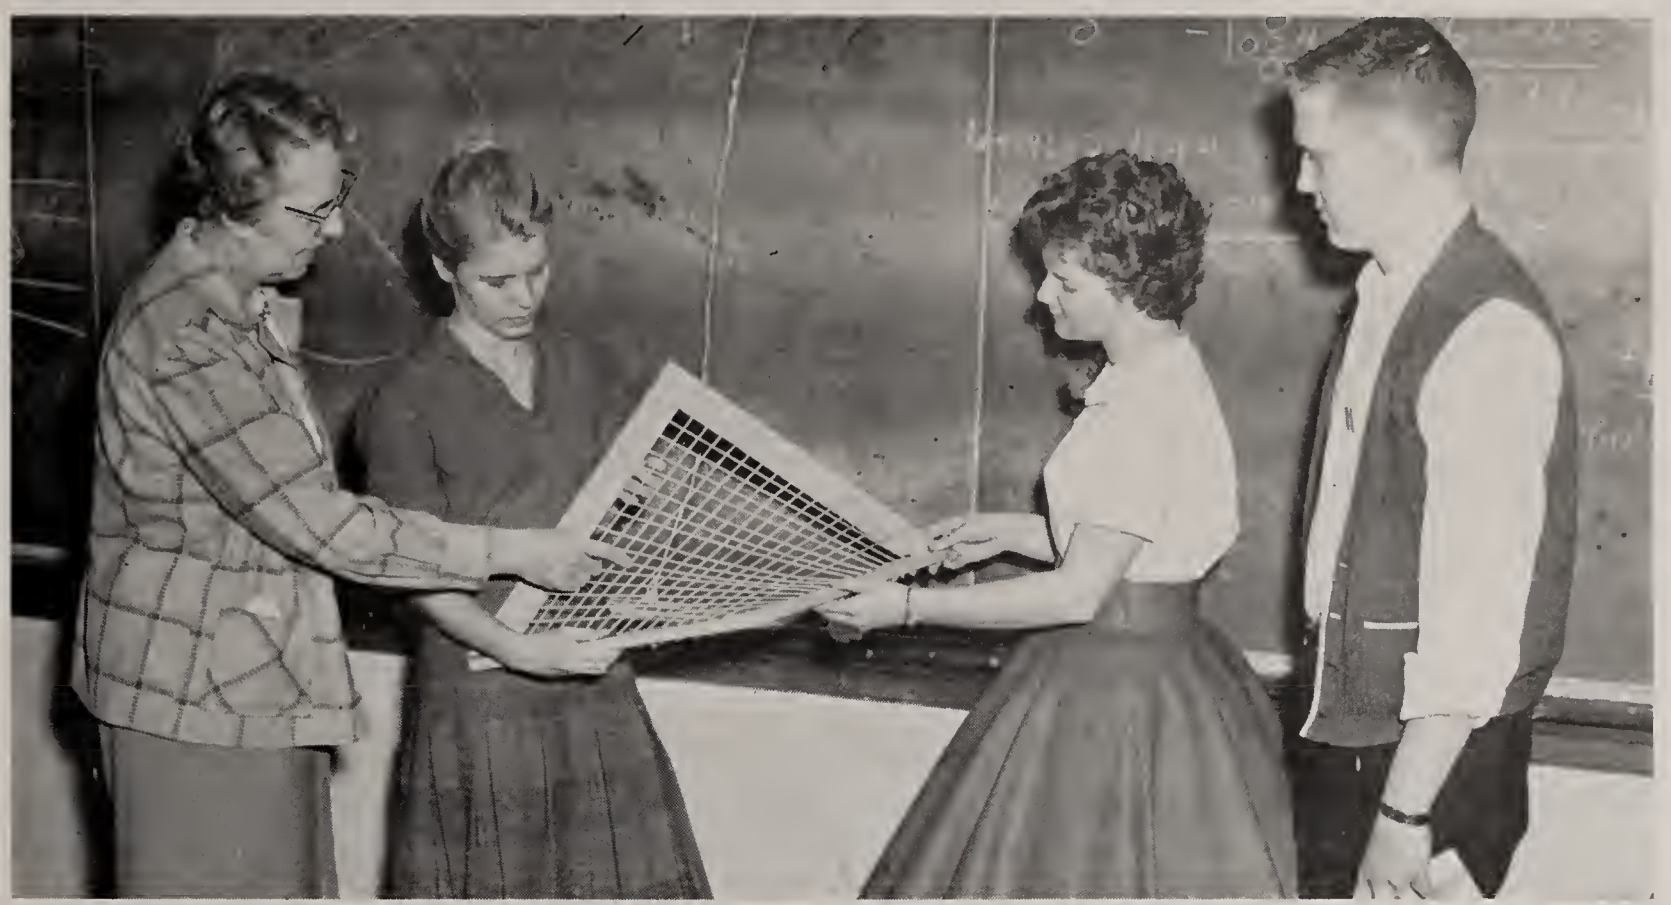
During their English instruction, students become familiar with well known literature, correct grammar, and correct spelling, all stressed during the first three years and good composition, emphasized in English eight.

During freshman English, many students follow Odysseus's travels; and, with the study of Julius Caesar, sophomores are introduced to the works of William Shakespeare. During their junior year, English students are escorted through a history of the English language; while in their senior year, Redskins study poetry, plays, and essays.



"Furnished is a transitive verb," recites Marla Lantz during her English 3 class. Diagraming sentences such as these aids students in learning grammar and parts of speech.

With the use of reading accelerators, Diane Regedanz and Dave Herbert improve their reading skill.



Sally Neidhardt, Connie Osterholt, and Dan Schellenbach, display this device as Miss Miller show the point of interception.

New Math Program Proves Successful

Mathematics assumes an ever increasing role at North Side. This year one of every nine students is enrolled in an advanced mathematics course. To accommodate this increasing desire of higher math, this year the department offered a new course and altered an older one.

In its initial semester topics in modern math, which is used as a freshman course in many colleges, is offered to students who have already completed eight semesters of math. Solid geometry is combined with some advanced algebra as the geometry itself does not merit a full semester of work. Conventional courses, algebra 1 and 2, geometry 1 and 2, trigonometry, and general math remained unchanged.

After finding the answer to a quadratic equation, Tom Stoeckley, with the help of Mr. McNeely, checks his work by graphing the equation during his algebra 5 class.

Home Arts Build Skilled Workers

The industrial arts program, under the supervision of Mr. Smuts, provides the student with a background for industry or for futhering his education in the technical or engineering field. New purchases for the department this year include an electric hand saw for the wood shop, and an electric arc welder for the metal IV classes.

Putting in a zipper or baking a pie is typical of the work done in the home economics department. The students may develop other domestic skills in sewing, cooking, interior decorating, and home nursing classes. Often, nurses and mothers with babies visit classes to help the students in their study of home nursing and baby care.

Working on a project for wood 4 occupies the time of Bill Daniels and Jerry Fox. Here they are sawing a piece of wood.

Health and Safety Provide Better Living

Snowy weather and hazardous driving conditions give the drivers' training classes a chance to test their skill on the road.

North offers Redskins an opportunity to take a variety of courses which deal with every day problems. Girl's and boy's health gives the student a good understanding of the basic health factors and develops in him good health habits for better living with himself and others.

Family living attemps to help the student gain a perspective on life adjustment as a whole. This course includes the study of problems met and solved during, dating, marriage, and parenthood.

Drivers training enables the pupil to develop safe and careful driving habits. Included in this course are 6 hours of actual behind the wheel practice and 20 hours of class room work which is part of the health course.

A chart of the lymph system aids Tom Duxbury in learning the parts of the human anatomy while Mr. Chambers instructs.

Studying a budget balancing pamphlet with Miss Spiegel are Tom Lindenberg, Harriet Meek, Chuck Leonard, and Lana Swaim .

Scientific Age Arouses Students' Interests

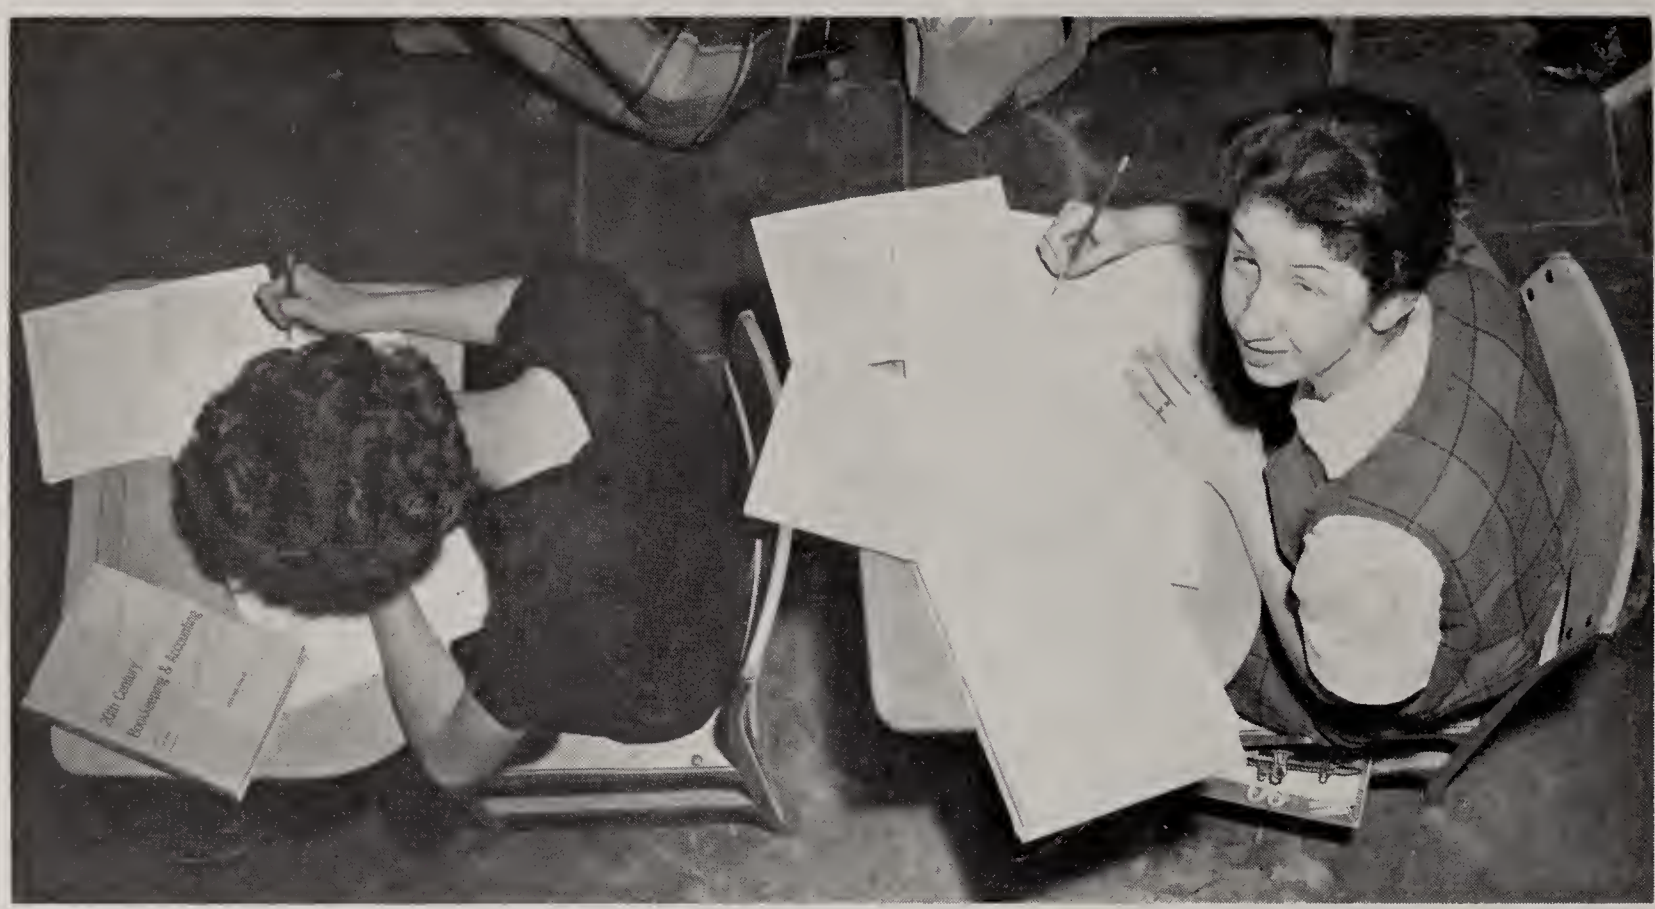
A squeamish stomach and the odor of formaldehyde are obstacles which must be overcome during the disection of a frog. Making the first incision during his biology 2 class is Stan Moore while James Fretz and Connie Homeyer observe.

Adjusting the correct lens for his microscope, Tom Stoeckley prepares to study some algae slides for botany 2.

North Side's science department enables the student to gain a basic understanding for higher education and living in this scientific world.

Physics, botany, physical geography, biology, and chemistry are the main sciences offered in North Side's curriculum, with an expansion this year into a college research class, chemistry 3. The semester's work in this class consists of a laboratory project by each student in the field of his interest. Biology classes are to be discontinued at North Side in the future, as the freshmen will be attending junior highs.

During their chemistry 3 class, Nancy Gallmeier and Tom Hawk, with the assistance of Mr. Lewis, find the normality of an acid through the average of several titrations.



Attempting to balance their sheets for bookkeeping and accounting are these students in Mr. Traster's business class.

Business Classes Mold Future Office Worker

Those students wishing to take business may choose a general, clerical, stenographical, or business academic course.

Working hard with calculators during clerical practice class are Janet Beckman, Nancy Shriver, and Barb Sampson.

During general business, pupils study introduction to business, bookkeeping, consumer education, business law, and business organization and management.

The clerical business course leads to general office and business machine work, and includes one year of office practice.

Those on the stenographic business course, which includes two years of shorthand and typing, are preparing for secretarial and office work.

The business academic course includes the academic subjects, bookkeeping, shorthand, typing, and any business elective the student wishes. This course enables the pupil to meet college requirements, and it gives him an office background.

Four semesters of speech are offered at North which any sophomore, junior or senior may elect. Speech I stresses all forms of oral communications and is designed to develop individual and group personalities. Speech 2 offers more advanced forms of oral communication. Speech 3, the dramatics course, presents a general background of the history of the drama and theater and gives an over-all picture of the fields of music, dance, movies, radio, and television. Speech 4 is an advanced continuation of Speech 3.

North offers a course in stagecraft which is designed to acquaint students with all phases of stage production. This class is in charge of operating the stage equipment during assemblies and plays.

Students in Mr. Lee's speech class seem to enjoy Randy Robert's extemporaneous poetry reading.

Speech and Dramatics Build Character

Learning self expression through drama are Janet Shown, Judy Neuls, and Karen Gater. Speech 3 is primarily plays and skits.

Social Studies Stress Study of Man

With the use of a chart, Mr. Young shows his economics pupils the operation of a business cycle.

By offering world history, United States history, civics, economics, and sociology, the social science department gives each student a chance to gain a basic knowledge of human relations. Citizenship is also included in this department, but since the freshman will be attending junior highs, this subject will be discontinued.

Reports and discussions on such topics as Khrushchev's visit are conducted by juniors in most U. S. history classes. An understanding of the human being's thoughts and feelings is acquired by the seniors in sociology classes.

Perched on his stool, Mr. Sinks strikes a traditional pose as he directs the pointer toward Carol Markwalter. His question, "Who were the blue men?" seems to amuse the class although it has Carol completely bewildered.

Reading magazines which are printed in Spanish fills the browsing time of Kim Wall, Nancy Gallmeier, Mike Stresser, and Jane Colver during their Spanish 3 class. This is a practical application of their ability to read Spanish.

We Learn to Appreciate Foreign Tongues

In addition to instruction received in the English language, North Side students may elect classes in French, Latin, or Spanish. Students on the academic or business academic courses are required to take two years of a foreign language. However, for those students who wish to pursue their study beyond the specified two years, advanced classes are offered.

Besides making a detailed study of the language, each student learns something about the customs and history of the French, Romans, or Spanish. In advanced classes emphasis is placed on speaking with ease. Practice is obtained by daily conversations between the students and teachers.

Bill Aiken points out the location of Rome to his fellow Latin 2 pupils, Roger Macy, and Anita Medsker.

Using scissors, paste, and paper, Carol Johnson and Howard Habig make mosaic tile designs by pasting small squares of gaily colored construction paper on a paper sheet.

Art Courses Attract Creative Students

Many students seek opportunities for creativity in the field of art. The art department offers courses including drawing, painting, design, crafts, and lettering.

In painting, for example, media such as water color, tempera, casein, and oils are used. Design offers the most challenging course with emphasis on modern art. Lettering is a major requirement in commercial art. Crafts is the most popular course with ceramics receiving the greatest interest. Art appreciation is offered with the hope that those taking it will receive an understanding of art in everyday living.

After shaping his vase on a potters wheel in art class, Doug Hosler is now enameling it before it is baked.

The combined Girls' Choir and Varsity Choir performed in the annual Christmas program put on by the music department. Under the direction of Miss Jeanette Rich, they sang "The Christmas Alphabet" at the North Side Auditorium.

Music Department Draws Redskin Talent

The music department offers students a means for self-expression. After one year in a chorus class, a student may join either Girl's Choir or Male Choir. Varsity Choir follows, and positions in A Cappella are filled upon audition. Within A Cappella are Triple Trio and Chansonettes, two ensemble groups giving additional concerts. Organ lessons are also offered for those students interested.

Included in the instrumental department are Orchestra, Varsity Band, and Concert Band. Varsity band gives students experience in ensemble playing; thus, when openings occur in Concert Band, Varsity Band members are prepared to fill them.

After hours of individual and group practice, North Side's Concert band, under the direction of Mr. Hatt, presented its Christmas program. This is one of the highlights of the year as it is the finished product of much classroom work.

Those on the first semester honor-roll 1959-1960 are: C. Adams, S. Adams, B. Allen, C. Amelung, M. A. Andreas, R. Arnold, D. Bair, B. L. Baldwin, S. Banks, P. Barnum, B. A. Barrett, D. Bash, T. Recognition day brings feelings of satisfaction for hours of hard work to those recognized while inspiring others.

Honor is Given to Those Deserving

Redskins who have excelled in scholarship are honored several times during the school year. Those who have maintained a 90 or above average during the first or second semester are listed on the semester honor rolls. The four year honor roll is composed of seniors who have maintained a 90 or above average during their four years at North Side. An assembly is held in the spring during which the semester honor roll students are recognized, and the four year honor roll students are announced.

A day is set aside at the end of each school year for recognizing those students who have done well in scholarship and school service. During the Recognition Day Assembly, usually held on Northrop Field, the events and accomplishments of the year are reviewed. Those who are recognized for their fine work get a feeling of self-satisfaction, and those who are not recognized are inspired to do better work next year. This day is full of sentiment, for it brings to a close the Seniors' four eventful years at the "Dome."

Robertson Keeps Days Running Smoothly

Being principal of North Side entails a great deal of responsibility. Carrying this load is the job of Mr. O. Dale Robertson. Although his responsibilities have been somewhat lightened with the decrease in the number of freshman, he still is beseiged by a number of time-consuming activities. He may be seen at almost all school events from basketball games to Varsity Varieties. Despite all of his school duties he still manages to find time for outside activities. Reading is one of his favorite hobbies, along with golf. A member of Wayne Street Church, Mr. Robertson also teaches a Sunday school class.

Parents and faculty hungrily eye the wide variety of foods and choose their favorite dishes at the P.T.A.—sponsored potluck.

North Seeks Advice of Lindley and P.T.A.

As Superintendent of the Fort Wayne Community Schools, Mr. Aaron T. Lindley is certainly a very industrious person. This year, along with his other everyday obligations, Mr. Lindley has had the tremendous task of adding Junior High Schools to our school system.

North's P.T.A. has certainly fulfilled it's aim of creating better understanding between teachers and parents. Projects for this year included: Freshman Mother's Tea, Back to School Night, a study group series, two dances, and the Senior Mother's Tea.

Mr. Aaron T. Lindley, Superintendent of Fort Wayne Community Schools, pauses for a moment during his busy schedule.

Student Guidance

"A friend in need is a friend indeed." This quotation aptly describes our Dean of Girls, Miss Victoria Gross. In addition to being guidance counselor, Miss Gross also advises students in matters pertaining to college. Although her spare time is very limited, Miss Gross always manages to find time for all who seek her guidance. Yes, Miss Gross is indeed a friend to all North Siders.

Main Duty of Deans

"Thou wert my guide, philosopher, and friend." This quote by Pope could easily describe Mr. Bill Anthis, Dean of Boys. Although he is the guidance director for the boys, Mr. Anthis aids all students. Being responsible for the vocational and personality tests given, Mr. Anthis has contact with all North Side students. Mr. Anthis is truly a friend and guide to all Redskins.

Busy Faculty Members Have Varied Hobbies

Being a teacher is a full time job. When not in the classrooms, the faculty may be found in the lounges grading papers, discussing their classroom problems, or taking a short break from their busy schedule. After school many teachers spend much time advising clubs and classes with their activities and individual students about their academic problems. Although they have few moments to spare at home, many teachers have hobbies of which reading and sports head the list.

Drawing and painting provide Mr. Lewinski with an opportunity to relax and express himself. This painting is an ink and water color sketch of an antiquated Fort Wayne home.

The faculty Christmas party gave the new teachers a chance to display their talent as they gave a continuous radio skit.

Miss Shroyer, North's librarian, whose hobby is doing handicraft, is pictured above making a pillow for her home.

North is kept clean and in good condition by Mr. Fred Menzie and his able custodian staff shown here. Front row: Frances Harte, Juanita Bryant. Row 2: William Rollins, Emil Roemer, Leroy Boschet. Back row: Mr. Menzie, Paul Landen, Fred Niemeyer, Jerry Leamon.

Maintenance and Cafe Workers Serve North

Cafeteria staff members are, seated, Mrs. Dumbold, Mrs. Hammons, Mrs. Rombke, and Mrs. Dennis. Standing are Mrs. Boyd, Mrs. Best, Mrs. Reiling, Mrs. Seuger, Mrs. Witte, Mrs. Degler, Mrs. Gaskill, Miss McCullough, and Mrs. Menzie.

THE REDSKINS

CLASSES

Fifty Elected to Four-Year Honor Roll

The four-year honor roll is made up of seniors who have attained a ninety or above grade average all their years at North. Those who qualified for the four-year honor roll by maintaining this grade average this year are Robert Arnold, Pam Barnum, Dave Bash, Terry Bashelier, Mike Belfry, John Bentz, Emory Bryan, Gary Buelow, Elizabeth Busian, Rita Crum, Charles Feustel, Daisy Gore, Richard Graef, Marcia Grant, Roberta Guingrich, Charlotte Harmeyer, Thomas Hawk, Tom Hayhurst, Mary Hegerfeld, Sara Lynn Henry, Karen Hetrick, Barbara Hines, Deanna Hinshaw, Juliet Hippensteele, James Howard, Sandra Jacquay, Robert Kabisch, Robert Kruse, James Lang, Sondra Laughlin, Susan Lauterberg, Ronald Madden, Sue Maxwell, Eve Meyer, Mike Ormiston, Thomas Popp, Sandra Reed, Forest Redding, Judith Rice, James Richhart, Eugene Roop, Margo Roth, Janet Shown, Anne Sosenheimer, Sharon Ann Stellner, Jerry Stodden, Thomas Stoeckley, Paul Wehrenberg, James Wight, and Wallace Williamson.

Two other seniors, Stephen Roberts and Robert Scott, have grade averages which qualify them for the four-year honor roll, but they have attended North Side for less than four years.

Hawk, Wehrenberg Have Highest Averages

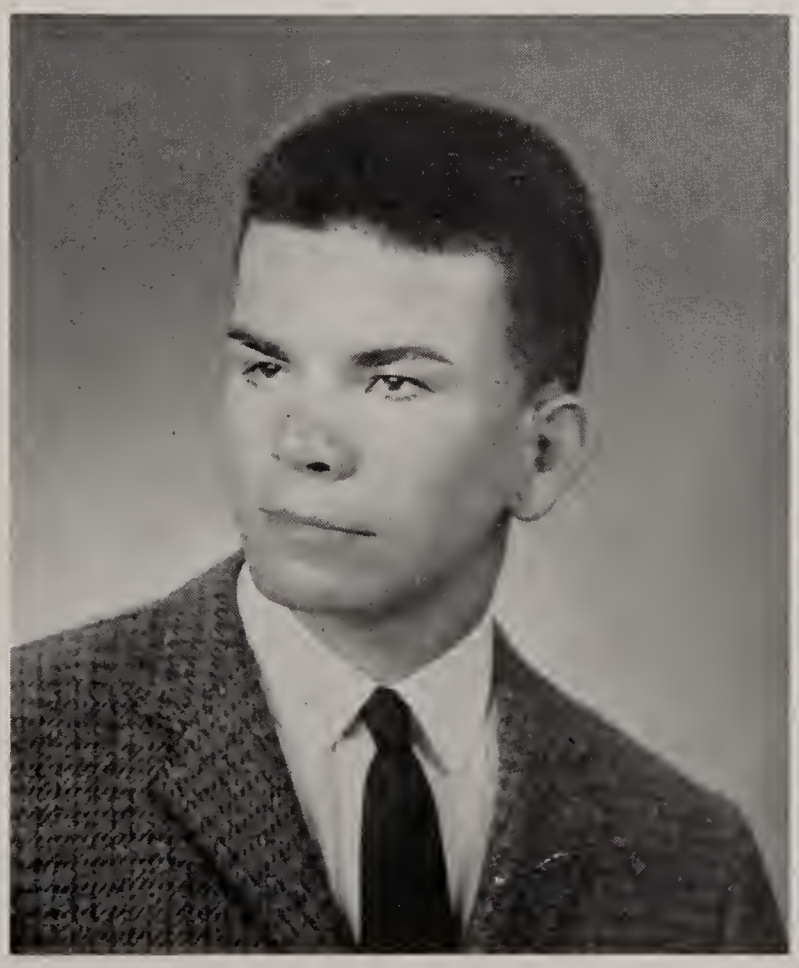
The class of 1960 is privileged to have such a scholastic leader as Tom Hawk. Valedictorian Hawk inspired many of us throughout his years at North by his modesty and excellent scholastic ability.

Tom is on the college prep or academic course majoring in math, science, English, social studies, and French. His favorite subjects are math, physics, and chemistry; Tom plans to futher study in these fields at MIT next fall.

Swimming is tops on his hobby list, although Tom spends most extra time on science projects, especially telescopes. His school activities include president of Helicon, MLC, and Globetrotters.

Valedictorian — Tom Hawk

Salutatorian — Paul Wehrenberg



The announcement recognizing Paul Wehrenberg as salutatorian of the class of 1960 greatly thrilled him even though he was 877 miles away. This past year Paul has been a student at MIT. He was accepted there last fall after completing his high school requirements in three years, and is now majoring in general science.

Paul also portrayed excellent leadership outside of the classroom. He was co-vice president of our class as a sophomore and president of Phy-chem as a junior. Paul was active in Student Council, publications, Key club, JCL, Hi-Y, JFL, and Helicon.

While at North, Paul majored in math, science, social studies, and English.

Planning the senior year of '60 were front row: Lucy Feichter, secretary-treasurer; Sally Henry, social chairman; Carol Rang, vice president; Hilke Stoeckelmann, social committee; Back row: Mike Musto, president; Mike Ormiston, social committee; Tom Hayhurst, social committee; Jim Wight, social committee.

Officers Lead Class of Sixty to Success

The class of '60 was off to a big start this year with the election of class officers. The officers headed by Mike Musto worked hand in hand with the helpful faculty advisors to lead the class through a successful senior play, banquet, and prom. Mr. Traster and Mr. Wert served as chairmen of the faculty advisors.

The officers also have plans made for the future. The class's ten year reunion will be held in the summer of 1970, either in late July or early August. For definite plans, class members should keep in touch with the officers Mike Musto, Carol Rang, Lucy Feichter, or Sally Henry. The officers strongly urge all class members to make plans to attend the reunion and renew past acquaintances and memories.

Advising the class of "60" in it's activities were seated: Mrs. Spoolstra, Miss Bowen, Mr. Wert, Mr. Traster, Miss Irene Miller, Miss Bell, Mrs. Chapman; Middle row: Mr. Smuts, Mr. Thomas, Mr. Feller; Back row: Mr. Lewinski, Mr. Franzman, Mr. Reeves, Mr. Edwards, Mr. Lewis, Mr. Dannecker, Mr. Anderson, Mr. Lemke. Serving as co-chairmen of the advisors were Mr. Traster and Mr. Wert.

Confusion confronted us when we entered the Dome as frosh.

The senior boys held a hilarious pep session before the second North-South basketball game. Below Jim O'Brien, Roy Strohl, and Tom Popp rejoice over the dead referee, Dick Graef. Jim Ellenwood well played the role of South's coach.

Swimming in the Fountainebleau pool was enjoyed by Mike Musto who toured Florida and Cuba during Christmas vacation.

Before attending the Christmas formal, Sally Henry and Jim Wight sip punch at Pam Barnum's open house party.

Commencement is the last assembling of the class of 1960 after which seniors will wind their separate paths into the world.

Seniors Produce Hilarious Comedy

The presentation of a hilarious situation comedy, "The Matchmaker," was given by the senior class. Watching Mrs. Levi, Eve Meyer, match the characters of the play to her own satisfaction, held the audience to the main plot of the play. The office of Horace Vandergelder, Mrs. Malloy's Millinery Shop, the Harmonia Gardens Restaurant, and Mrs. Van Huysen's Boarding House gave the play its colorful settings for the four scenes. Bob Vannatta, as Horace Vandergelder, accompanied secretly to New York by his store clerks, Wally Williamson and Tom Hayhurst, kept the millinery shop in an uproar with their antics. The discoveries at the Harmonia Gardens Restaurant and the conclusion at the boarding house kept the audience in wild excitement.

Much to Mrs. Levi's satisfaction Mr. Vandergelder, Bob Vannatta, finds his affections swaying away from Mrs. Malloy.

In this scene from "The Matchmaker" all secrets fully unfold leaving everyone happy, especially the matchmaker, Eve Meyer.

Barnaby, Tom Hayhurst, fearfully looks on while Cornelius Wallace Williamson, is caught out of hiding by Mrs. Levi.

Backstage men Bob Zern, John Rader, and Dick Graef prepare the curtain, lights, and sound for the opening.

Student directors Judy Gordon and Janet Shown stand on the sidelines and keep close tabs on the script.

Monsalvatge Inspires Seniors at Banquet

"Evening in Crystal," the senior banquet of the class of 1960, will long be remembered by all who attended as an evening of enjoyment. As we listened to our toastmaster, Mike Musto, heard our class poem, and sang our school song, we knew we could be truly proud of our senior class. As Mr. Monsalvatge, our speaker, entertained us with his magic and challenged us to our roles after graduation, we were filled with a new incentive to make our goals in life. Our Memorable evening at Cutters' Chalet was brought to a close as we danced to the music played by Jack Underwood.

At the after banquet dance, Marcia Grant and Bill Cunningham rock it up to the tune of "In the Mood."

After their dinner at Cutter's Chalet, the seniors were held spellbound by the speaker-magican, Ray Mansalvantge.

"Southern Splendor" Highlights Junior Year

This year offered many new experiences for the class of sixty-one. Being considered upperclassmen really was a boost. The biggest excitement arose, however, over "Southern Splendor," the Junior Prom. It was held at the Tokheim Ballroom, and featured the music of Woody Neff. A party afterwards at the Hobby Ranch House was the climax. Mr. Clark served as chairman of the advisors.

Junior class officers are Ron Crick, president; Randy Roberts, vice president; John Griffith, secretary-treasurer; and Skip Tanner, social council chairman.

After a hard-played basketball game, juniors Ron Cummings and Butch Snow relax for a moment at an after game dance.

While at a pre-slumber party open house, Pam Friend seems quite elated as she happily beats away on a pillow.

Sophomores Plan Spring Picnic

Sophomores entered North this year feeling relieved in loosing the title of "frosh." Interest in school activities this year greatly increased among the classmates of '62 since their greenness had worn off. The class showed its excellent talent and ability to organize well at "Chanson D' Amour," the class party. Another class function was the spring picnic which was new traditionally. Miss Fleming was the class advisor.

Standing alert to lead the sophomore class are Pat Ormiston, president; Kirby Miller, vice president; Bev Brockett, secretary-treasurer; George Fuzy, social chairman.

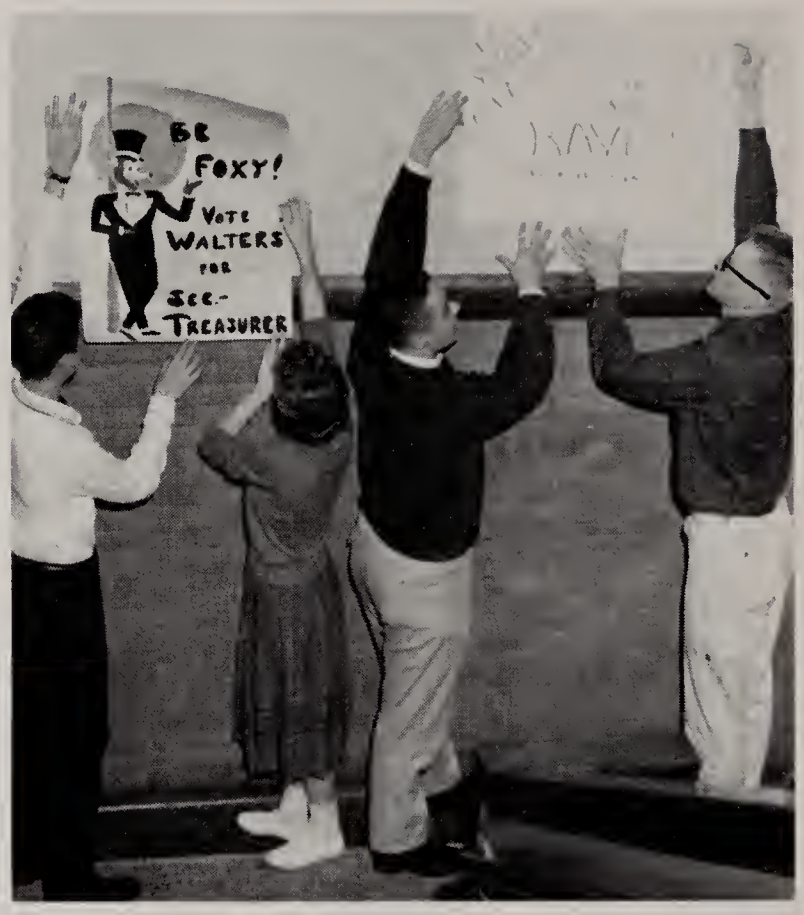
Catching up on the latest gossip before a slumber are clockwise lower left Joan Shimer, Judy Smith, Cherry Crandall, Sylvia Grant, Pat Hudson, Barb Rider, and Jean Keller.



Eager to be first to put their posters are prospective candidates and their backers from left to right Martin Walter, Theresa Richards, Roger Wagner and Paul Raver.

The girls are portraying a scene from the talent show which was performed at the Sophomore Party, Chanson D' Amour.

"Spring Reigns" Heads Frosh Activities

The freshmen this year represented one of the smallest classes to enter North Side in some years. This was due to many freshmen attending junior-highs. The frosh obtained a slight taste of initiation the first day while bowing to the seniors walking up the red carpet, but soon they found their way around the dome and recognized Redskins as being very friendly and helpful. The freshmen held their class party in the spring entitled appropriately "Spring Reigns." Miss Little advised the class of '63 in their activities of the year.

Freshman class officers are Steve Esterline, vice president; Ed Haught, social council chairman; John Stewart, president; and seated Sharon Adams, secretary-treasurer.

Freshmen

These Frosh girls find that building snow men is still enjoyable even though the most snow is on them.

These Freshmen girls soon become accustomed to the divided lunch system at North as they show their lunch tickets to Mrs. Senger before they enter the cafeteria.

Studying is certainly a big part of attending North Side as do these Freshmen find while they study hard in the cafe.

F. T. A. Cultivates Interest In Teaching

Discussing the merits of teaching on a secondary level are Pam Friend, Dawn Bates, Charlotte Harmeyer, and Ellen Schaper.

The purpose of Future Teachers of America is to present to the students the vocational opportunities, not only in teaching, but in other fields. Members are aided in choosing their future work by discussions, speakers at meetings, and trips to various colleges. Members of this organization can also further their interest by substituting in classrooms around the dome when the regular teacher is temporarily unavailable. Tutoring was offered by several of the members. Much of the credit for this year is due to the guidance of Mrs. Grace Pennington and Mr. James Lewinski. Last semester's president was Sondra Jacquay, and this semester the officers were Charlotte Harmeyer, president; Pam Friend, vice president; Joan Parsons, secretary; Art Haffner, treasurer; Lois Gump, Parliamentarian.

Front row: Lucy Feichter, Nancy Motz, Sally Henry, Roy Strohl. Second row: Bobbi Horne, Diane Angel, Donna Hagadorn, Sallie Pickering, Susan Guillaume, Shari Hoeppner, Pam Barnum, Julie Hippensteele. N. F. L. Wins Honors

To belong to the National Forensic League is an honor given to those speech participants who have received a total of twenty-five points. These students enter speech contests in such fields as humorous declamation, oratorical, poetry reading, and radio announcing. Under their advisor, Mr. Stanley Lee the group works hard to achieve the standards set by the National N.F.L. Along with speech meets, the club members attended conventions dealing with public speaking. Awards are made at the annual speech banquet. Eve Meyer, president, headed the club this year.

While proudly displaying his trophy to Eve Meyer and Bonnie Dolnick, Jim Ellenwood explains how he won it at Howe.

Discussing Eve Meyer's winning at Peru of the travelling trophy for poetry reading are Eve and Mr. Stanley Lee.

J. F. L.'ers Orate

Public speaking, debating, and poetry reading are only a few of the fields ventured into by the Junior Forensic League members. The club is open to all students who are interested in the speaking field. These students prepare their speech work for speech meets, and at the same time, work to improve the art of communication. At each meet, points are received according to the work done and the ability of the student. These points are added together, and when a student has earned the proper amount of points, he may become a member of the National Forensic League. The advisor this year was Mr. Stanley Lee, who assists the students in improving their speaking habits.

Choosing declamations for a coming speech tournament are Cheryl Holsworth, Marilyn Comer, and Vernon Robinson.

During a J.F.L. meeting, Judy Smith, Harriet High, Rita Smith, Carol Botteron, and Cherry Crandall study current events magazines to prepare themselves for extemporaneous speaking.

J. C. L. Studies Roman Civilization

Serving punch at Junior Classical League's Christmas party are Jane Hubbard, Stevie Richards, Liz Stone, and Linda Stout.

The Junior Classical League of North Side is a chapter of the National J.C.L. organization. Under the supervision of the Misses Judith Bowen and Loraine Foster and the Mesdames Amelia Dare, Janet Weber, and Marjorie Spoolstra, this Latin students' club goes beyond the classroom in unfolding the people and the customs of the Roman civilization. J.C.L. also has a scholarship program, whereby Latin students donate money to help put a student through college who desires to become a teacher of this language. One of their events was a style show of Roman Costumes.

Linguists Learn Of European Customs

Modern Language Club, made of French and Spanish students with a B or better average, offers an opportunity for members to increase their knowledge of European countries and their customs, primarily those of France and Spain. Its activities include interesting monthly programs and a spring picnic and Christmas party. In these latter two activities, M.L.C. is joined by the Junior Classical League organization. Able club advisors this year were Miss Francis Plumanns, Mrs. Jane Griggs, and Mr. Paul Lemke.

Leading the club members for the first semester was Stevie Richards, and for the second semester, Ellen Schaper.

Booster Club Increases School Spirit

Booster Club, one of the first clubs at North Side, organized in 1927, was established for the purpose of boosting school spirit and promoting good sportsmanship. One of their primary functions is maintaining the concession stand at all school athletic events. The organization sells badges, shakers, and other novelties to students at tournament time. The group also sells refreshments at all home games, thus helping to finance their activities. In conjunction with the cheerleaders, the members of Booster Club supervise all pep sessions and also provide uniforms for the yell leaders. Letters are given as a reward for outstanding work in this service club. The advisors are Mr. Whittern, Mr. Lewis, and Mr. Goon.

The finished product of Art Club's efforts gave a festive air to the main entrance of the Dome. Gold geometric balls and traditional Christmas greens were the basis for their decorations.

Daffy Dabblers Derive Decor

Daffy Dabblers is a comparatively new club whose membership is open to students interested in any type of art. The members have the pleasant task of decorating the school halls during the Christmas season, and this year they added the Yuletide spirit to the Cafeteria with colorful decorations. Miss Bell and Mr. McClead led the Dabblers in a very interesting and successful year. The highlight of the club's activities was the sidewalk display and sale. This proved to be fun, and the members also added funds to their treasury.

Camera Club Holds "Photog's" Interest

The Camera Club gives students the opportunity to develop their skills in photographing and processing pictures. The members are able to print and enlarge their pictures with the use of excellent equipment belonging to North Side. As a project, Camera Club members show movies in the Audio Visual room during the lunch periods to provide a means of income for the club. To increase their knowledge of photography, they visit photographic studios. The officers were as follows: Karl Pfister, president; Kent Cecil, vice-president; Jackie Lamprecht, secretary-treasurer; Steve Fortmeyer, darkroom manager; and Bob Havens, membership chairman.

While working hard at the developing pans, Carl Pfister and Kent Cecil steal a minute to admire one of their fresh prints.

Legend Presents Synopsis Of School Year

The Legend, the product of many hours of hard but satisfying work, is issued by the students at the end of the school year. Writers and photographers work together to bring to their classmates a synopsis of the past year.

This year the Legend is divided into six different sections. The academic section was headed by Marcia Grant and Ann Stellner with their assistants Stevie Richards, Judy Stevens, and Janet Shown. Kay Regedanz was the editor of the activity section with Sandy Cooper and Nancy Huff assisting. The section concerning class divisions is sectioned as four complete parts including the senior class section with Linda Ruch, editor, and Vernell Gehron assisting; the junior editor, Karen Hetrick was assisted by Linda Duncan; Becky Wright edited the sophomore section, with her assistant Cherry Crandall; and Carolyn Kelsey, editor of the freshman section was assisted by Sylvia Grant. Roy Strohl and Joe Long headed the sports section. They were assisted by David Loudermilk and Stevie Richards. The faculty editor was Liz Busian, with Pat Schrey her assistant; and the business staff, headed by Frank Rucoi, included Ron Crick, Marla Lantz, Sally Pickering, Carol Rang, and Doris Summers. Pam Barnum, Anne Sosenheimer, and Marilyn Zager worked as copy editors. Index editor and picture editor respectively were Karen Woodward and Donna Hagadorn. Photographers for the Legend staff were John Knight, Martin Walter, and Bill Schlup. The editor of the Legend was John Bentz assisted by Marcia Grant and Ann Stellner.

Selecting type for the 1960 Legend are John Bentz, editor, and Ann Stellner and Marcia Grant, co-assistant editors.

The Legend business staff members are Ron Crick, Frank Ruccoi, manager, Marla Lantz, Sally Pickering, and Carol Rang.

Assistant Legend Editors are, seated: Vernell Gehron; Standing: Linda Duncan, Sandy Cooper, Nancy Huff, Pat Schrey, and Cherry Crandall.

Summing up the Northerner's bills, one of the jobs carried out by the business staff, is manager Jim O'Brien, while staff members Dale Terry and Ron Crick check for accuracy.

The reporters and assistant editors, Judy Smith, Harriet High, Janet Boyd, Judy Leach, Janna Johnson, Janet Vandervort, and Dave Stillman. Check the corrected paper to find their mistakes.

Doug Boren, Jim Nolan, and Frank Pipino, Northerner sports staff members, show John Knight the picture size they want.

Planning the lay-out of the Northerner is one of the biggest jobs of the editors each week. Dale Terry, Sue Maxwell, Judy Rice, and Reva Berlin cut and rearrange the copy to fit the proper area before the paper is sent to the presses.

Northerner Speaks For Redskins

Each week subscribers receive their issue of the Northerner, North's school paper. The staff, with the help of the advisor, Miss Norma Thiele, work to present their classmates with information concerning the many different fields of activities. First semester editor, Sue Maxwell, and second semester editor, Judy Rice, work with their staff to bring out the best in information and interest.

Making up the first semester staff were the following: Judy Rice, managing editor, Daisy Gore, news editor, Paul Raver, assistant; Becky Wright, feature editor, Reva Berlin, assistant; Mike Ormiston, sports editor; Dale Terry, advertising manager; Jim O'Brien, business manager; Doug Boren, assistant business manager; Judy Rice, circulation manager; Judy Leach, assistant circulation manager; Carolyn Kelsey and Janna Johnston, co-exchange editors; Bonnie Dolnick, classroom news editor; Judy Smith, point recorder; John Knight and Martin Walter, photographers.

Honor Societies are Journalists, Aspirations

Students with journalistic aspirations work toward membership in Quill and Scroll, an international journalistic honorary society. Members must be in the upper third of their class, must have done outstanding work in some phase of journalism, and are chosen by the national executive secretary of Quill and Scroll. Membership is based on the recommendation of the publication advisor and the student's work.

The 1500 Club is an honorary organization whose membership is granted to students who have earned 1500 points writing for, editing or managing the Northerner. The journalists who continue to earn points may receive a silver pin for 3,000 points, a gold pin for 5,000 points, or a letter for 7,500 points; the top award is a gold jeweled pin for 10,000 points. Only Sue Maxwell, Judy Rice and Dale Terry have all of these.

Ripplettes Perfect Varied Acquatic Skills

North Side is very fortunate to have the Ripplettes, an advanced swimming club. The membership consists of 15 girls; and there is very keen competition to join the club, as only sophomores, juniors, and seniors may join. Each year the regular members judge the tryouts on many swimming and diving feats. The prospects must be able to swim the pool length twenty-two times and maintain a "B" average scholastically. The big event of the year was the water show in April. Performances were also given at the Y.M.C.A. and the Home Show at the Coliseum.

After much practice to perfect their water ballet skills, the Ripplettes combine them to make formations such as this one.

G.A.A. Stresses Health and Sportsmanship

Bull's-eye! Miss Carroll's GAA group is practicing archery for the oncoming season. This is a popular sport in GAA.

The North Side G.A.A., which is under the direction of Mrs. Jeanne Gause and Miss Ruth Carroll, and a member of the statewide Indiana League of High School Girl's Athletic Associations, provides an opportunity for extra curricular physical activity. Stimulating mental and physical growth, the club is open to all girls interested in sports activities.

The girls earn points, based upon a system established by the state, by participating in athletic recreation in school, such as swimming, and out of school, such as bowling, skating, and horseback riding. Special events include trips to clinics and to the state leadership camps.

Phy-Chem Draws "Scientists" Interest

Phy-Chem was formed to develop an interest and advancement in the fields of physics and chemistry. It is open to anyone taking either of these classes. The members are given an opportunity to express their interests and to work with others who have the same aspirations. The programs consist of a variety of activities, anything from hearing a distinguished speaker on a scientific subject to conducting experiments on electricity.

Other activities included an after-game dance and a Christmas party where pizza was served to the members.

The club advisors are Mr. Sherman Pressler and Mr. Harold A. Thomas.

Presiding over the club first semester was Bud Stout and the second semester, John Knight.

Band Provides Entertainment With A Beat

During football season, marching takes most of the band's time.

North Side's Concert Band, consisting of ninety-eight members, is the largest ever to perform. Under the direction of Mr. C. W. Hatt, it added much spirit to the football and basketball games. In the fall of 1959, the band entered the NISBOVA Marching Contest and received the Sweepstakes award for presenting the best music and formations of class A bands. At the Christmas and Spring Concerts, the band delighted audiences. The band also marched in civic parades and furnished music for the pep sessions and twirlers.

The band was governed by a board consisting of first chair members and the band officers: Bob Vannatta, president; Rosellen Messerschmidt, vice-president; Sandy Householder, secretary; and Sherry Moore, Music Librarian.

Orchestra Plays and Interprets Classics

North Side's Orchestra, in addition to performing very creditably at the school's concerts, journeys to different parts of the state displaying its talent. A new activity of the orchestra is the concerts given to junior highs to develop an interest in the orchestra.

The members of the orchestra learned not only to work together under Mr. C. W. Hatt as director, but also learned to play and understand music of the past and present. Many of the members must sacrifice their lunch periods to be in the orchestra.

The string members of the orchestra organized a symphonetta, which plays at concerts and adds variety to school functions.

Through practice, the orchestra perfects its selections.

Varied Opportunities Offered Vocalists

Beautiful music, ranging from sacred to popular, has been presented by the A Cappella Choir at numerous concerts. Under the able direction of Miss Jeanette Rich, the concerts last from twenty minutes at Junior High Schools, to an hour and a half at church services. This year the choir numbered seventy-two members.

Four busy choirs, consisting of the Chorus classes, Girl's Choir, Male Choir, and Varsity Choir, worked hard to present enjoyable music, and at the same time, trained for A Cappella Choir. These four choirs consist of approximately 250 members, and are under the direction of Miss Jeanette Rich.

Left: Kay Regedanz sings a song at the fall A Cappella picnic. Right: Miss Rich displays her sucker given to her at the picnic.

Boy's Choir, which had its most successful season this year, is open to any male who is interested in vocal music. North is the only city school having such a choir.

After being in a chorus class for one year, girls may, upon invitation, become members of girls choir.

After being in a chorus class for a minimum of one year, vocalists may, upon invitation become members of varsity choir.

Redskins Beat Irish in Thrilling Battle

One of Indiana's toughest conferences was faced by new headman Wave Meyers. Meyers, formerly head coach for the Huntington gridiron, put together a hard-fought but unlucky 1-7 season. Although losing several games, the team put up many last quarter rallies. The back field moved with quick and fast precision with the support of the hard-hitting line. The great aerial attack, which accounted for many of the last second TD's, was engineered by quarterback Brad Bendure. Long runs also accounted for several Redskin TD's. All are looking forward to next year with great hope and anticipation for the success of the team and the coaching staff.

Brad Bendure, member of the mighty North Side Varsity squad, attemps to throw a pass for that all important first down.

Reserves and Frosh Train Toward Varsity

One of North Side's best up-coming Reserve football teams put together a 2-4 season this year under the direction of Coach Zimmerman. The team, made up of juniors and sophomores, will be a major part of next year's Varsity squad in the fall.

Along with the Reserves, the Varsity had another group of on-lookers—this was the Frosh team. The stout-hearted boys, coached by Mr. Becker, put up a fine 3-3-1 season.

Front row: Nash Marino, Phil Hudson, Tim York, Steve Konow, Steve Pfeiffer, Wyatt Weaver, Scott Pitser, Les Ehrsam, Bill Davis, John Ransburg, Jack Gooley, John Smith, Dan Harter. Varsity cheerleaders are Flo Winkler, Connie Gibson, Janet Beckman (captain), Jo Ann Chrzan, and Peggy Tomlinson.

Reserve cheerleaders are Linda Clouse, Susie Heffley, Connie Lee, Dave Kinne, Joyce Clay, Barb Rider.

The girls' cheer block led by the Varsity cheerleaders provided color and enthusiasm during the basketball season.

Varsity Cheerleaders, First in State

The Varsity cheerleaders Janet Beckman (captain), Jo Ann Chrzan, Peggy Tomlinson, Connie Gibson, and Flo Winkler proved their excellent leadership and co-ordination when they won first place in the state contest for all Indiana high school cheerleaders. The Varsity cheerleaders lead the student body at all Varsity basketball and football games both at home and away.

The Reserve cheerleaders Joyce Clay (captain), Linda Clouse, Barb Rider, Dave Kinne, Susie Heffley, and Connie Lee lead cheers for the reserve basketball games, assisted the Varsity cheerleaders at all other games, and substituted for the Varsity crew in case of illness.

The cheerblock added color and enthusiasm to the basketball games. Led by the Varsity cheerleaders the block met two mornings a week to learn cheers. Mrs. Weber advised the block and Miss Fleming advised the cheerleaders.

The band adds their support while excited Redskin fans show their appreciation of a fine team by hoisting it up in the air.

Highlights Season

The Redskins proved to be definitely unpredictable upsetters. By Hey, our experienced coach, led the Redskins through a successful season. The Red and White never won or lost more than two games in a row. The team improved as the season progressed. Their overall record for the season was 10 wins and 12 losses.

High scoring veterans and North's all city representatives, Ron Latham and Ron Cummings, set the pace for the team this year. Jim Lang and Larry Soucie were elected by their teammates as honary co-captains. Jack Hallenbeck, Tom Lindenberg, Don Gaff, and Norm Snow were valuable in their categories. North will lose Hallenbeck, Lindenberg, Lang, Latham, and Soucie due to their graduation.

Kline Leads Junior Cagers

Under the leadership of Ralph Kline, the Redskins' Reserve team was led to a 9 win, 11 loss season. The majority of the team, being sophomores, were inexperienced, but after a few games, they began to improve their ball handling. Many of the members played with the varsity later in the season.

The Reserves' high-point man was Fred Noll, followed by Mark Kreigh. Jim Hoar, Bill Reeves, and Dick Ungerer were essential for the team's success.

Frosh Develop Fine All Court Press

North Side's Frosh team was coached by Wade Fredrick, who guided them through an excellent season of 17 wins and 4 losses. By tromping South Side by fifteen, Central by seven, and Central Catholic by eleven, they beat every city club at least once during the season.

Jack Aiken, Steve Esterline, Rodger Macy, Jim Keller, and Mike Aker were the usual starters. Coach Fredrick feels that his team, being unusually co-operative, developed one of the finest full court presses he has seen.

Senior Pete Poorman, the lead man for this year's squad, has just completed passing a Central Tiger.

Poorman Leads

North Side's harriers practiced long and hard, but their vigor paid off. Rolla Chambers coached his rugged two mile team to an eleven win two loss season. The Redskins finished third in the N.I.C. cross country meet, third in the sectionals, and eighth in the state meet.

Pete Poorman was the leader of the pack with Steve Newhard, Leo Summers, Steve Rinne, Jim Scheele, Karl Zimmerman, and Bill Miller making up the rest of the squad. The harriers will lose Poorman, Newhard, Rinne, and Zimmerman due to graduation, but next year's squad is hopeful of a successful season.

Taking the lead is Pete Poorman while the entire cross country team runs in typical formation at a Central-North meet.

Team Victorious in North Side Relays

Rolla Chambers, North's experienced track coach, guided his cinder pounders to a successful season.

North starred on their own North Side Relays with 78 points. Lima was second followed by Fort Wayne Central.

In the N.I.C. finals North managed to place second. Elkhart won with 54 points; North and Gary Froebel were tied for second with 29 points.

Many of the meets were highlighted by Jack Hallenbeck running the hurdles in record time, Pete Poorman in the mile, Tom Stanski in the half-mile, Mike Ormiston in the quarter, Don Cromwell in the 100-yard dash, Jim Worley in the shot-put and Stan Heine in the pole vault. North's mile relay team composed of Ormiston, Reader, Shiemer, and Bendure also excelled.

Tennis Squad Defeats

Coach Myron Henderson guided the tennis squad through a 4-4 season. Redskins played impressively against the teams in the Northern Indiana Conference. They were able to hold off their strongest competitor, Elkhart, with a hard to attain 2-3 score. Despite the loss of several matches by a small margin, the team looked good.

Mike McVey, fast moving senior, was elected honorary captain by his teammates. Mike had an excellent overall record of 13-2. Next year the team will be missing two of their effective members, Mike McVey and Forrest Redding, due to their graduation. The team should have good depth and is anticipating a successful season.

Intramurals Increased to Please All

Mr. Don Kemp has headed the revised intramural program which now includes cross-country, touch football, horseshoes, vollyball, double and single table tennis, spring golf, track, and softball. He feels that the purpose of this extensive program is to offer those boys not enrolled in physical education classes or not able to participate in sports on the varsity level an opportunity for recreation.

The fact that approximately 750 boys turned out for intramural activities proves their interest and enthusiasm. Basketball, for which 150 turned out, was most popular. Volleyball and golf were second and third in popularity.

Mr. Kemp hopes to keep increasing this program so that everyone may find an activity in which he would like to participate. Those activities to be offered in the future include intramural swimming, badminton, and a more extensive wrestling program.

An intramural tournament provides an opportunity for Dennis Stewart and Jim Wappes to test their skill at ping-pong.

Wrestling is the favorite intramural sport of these Redskins. They favor intramural competition.

Golfer Tom Ingmire exercises his powerful stroke while Dick Gatton looks on admiring Tom's good form.

Gym Classes Develop

Two years of gym fill the calendar for Redskin boys equaling one credit. This is in accordance with state regulation .

The boys' program is based upon training in three fields: swimming, physical development, and work in the gym. Swimming class offers instruction for beginners and racing for the more advanced. In physical development bodies are built through weight lifting, wrestling, boxing, and other muscle-toning equipment. Gym work features basketball, dodgeball, and volleyball. This divided program provides varied activities allowing the interests of all boys to be fullfilled.

Top: Lifting barbells helps Dale Phillips, Dave Weiss, and Larry Scott in physical development class.

Bottom: Volleyball is one of the many games which Redskin boys enjoy while doing work in the gymnasium.

Swimming class makes a refreshing change from gym class. This class of Mr. Ivy's is practicing the racing dive.

Body and Character

Sacket and bowlit were added to the girls' sports curriculm this year. Sacket is similar to softball while bowlite is a modified version of bowling. In addition to these sports, archery, speed-a-way, deck tennis, table tennis, and softball were popular.

An adapted physical education program was initiated by the department for girls who cannot take part in the regular program or for those who wish to take care of some special problem. Table tennis, bowlite, badminton, and special exercise are stressed in this class.

Swimming is also an important part of the department's program. It is divided into beginning, intermediate, advanced, and senior lifesaving.

After dividing into two teams during their phys-ed class, these girls play a strenuous game of basketball.

Girls' swimming classes are different from boys' in that the course lasts a full semester. Mrs. Gause instructs the classes.

It has really been a pleasure having you for teacher for three semesters. I suppose it's really been a struggle trying to teach Spanish to people who don't want to learn. Anyway, I've got something out of your teaching. Best of luck in Puerto Rico. Be careful with that hot third period Spanish class of yours. Ron Poyser

Mon ami,
J'espère que vous irez bien cet hier; aussi je vous souhaite un grand "bon chance" en Puerto Rico.
Ne fumer pas plus.

Señor Lemke

I have been very lucky to have as sweet and as kind of teacher as you have been. I hope that your life will be filled with all the happiness in the world. You deserve it.

Espero que tenga un buen rato en Puerto Rico. Puedo verle cuando regresa.

Mr. Lemke -

I'm one of the best teachers I've had, who has suffered with me in Spanish for three semesters. Even though I may not be an A student I feel very much I've learned.

Wish I could attend your class this summer.

Good luck in Puerto Rico.

Thank you for everything.

- Mr. Lemke -
To a real swell and cool
teacher. Lot of luck and fun on
your new job this summer.

Spanish Classes

To the coolest and only male Spanish teacher at North.
Keep the Puerto Ricans honest this summer. Too bad
you can't be around to water ski this summer it would
be fun. I'll be looking forward to class again next January.
Don't let your fancy clothes shock the eyes out of any
poor Puerto Rican who doesn't have his sun glasses.

Brad Bendul.

Mr. Lemke
Of all the
teachers I've
been in
to me since I'll never forget the
at North. I'll be
Spanish classes in
school. I hope you'll
free to come and see us
you have the time. It would be a
wonderful time in Puerto Rico
this summer. I'll be looking
forward to learning the rest of my Spanish
when I'm back next January.
At the Thanksgiving luncheon
you. Thanks for being such a
wonderful teacher and friend.

Steve Pechanec

Mr. Lemke -
I really have enjoyed being in
your class for 3 semesters. I wish it
could have been 4. You have a
wonderful personality. I really
think you are swell.
Luck Always!
